10 December 1954

MEMORANDUM FOR: Executive Officer, Office of Personnel

SUBJECT: Passenger Movement Statistics--CPB

1. ³⁰Reference is made to the memorandum from DD/A to AD/P, dated 20 September 1954, and my reply to this memorandum dated 21 October 1954 relative to information requested by the Chief of Logistics on statistics to be compiled by CPB on passenger movement and so forth.

2. It is requested that you arrange a meeting between representatives of this office, the Comptroller's Office and Mr. [] of Logistics in order to determine once and for all whether or not the Office of Personnel can and should furnish the requested information. It is my desire that we afford the Office of Logistics 100 per cent cooperation in this regard. If it is at all possible for us based upon our present records or a revision thereof to furnish this information on a periodic report basis, do so. If it is determined that more accurate and up-to-date information can be obtained from the various elements of the Office of the Comptroller, such determination should be made and concurred in by that office.

3. At the conclusion of this meeting, it is my desire that you inform me whether everyone concerned is satisfied and that our professed inability to furnish this information is genuine and not generated by the age-old argument between CPB and the Passenger Movement Branch of Logistics.

SIGNED

Harrison G. Reynolds
